

# Pay Equity for the community-based social sector

Nau Mai, Haere Mai ki te tautoko tēnei kaupapa whakahirahira

The current pay equity claim is an unprecedented opportunity for the community social services sector to achieve pay equity for all people working in social work roles in our sector. A strong, collective effort is needed to achieve the whole-of-sector outcome.

## Pay equity for community - based social workers

SSPA is coordinating the employer response to a pay equity claim against a representative group of five social service providers. SSPA is seeking pay equity and parity for community based social workers with Oranga Tamariki social workers

## Who do we want a whole-of-sector settlement to apply to?

Iwi social services

Kaupapa Māori social services

NGOs

All community social services

**Sign up today!**

**If you are a social worker or employ people in social work roles, we encourage you to sign up to the pay equity mailing list at [www.sspa.org.nz/pay-equity](http://www.sspa.org.nz/pay-equity)**

**Our best chances of success will be with the strength of unity — representing up to a possible 900 providers employing around 4000 people in social work roles in the community sector.**

**If you would like to know more, please email [payequity@sspa.org.nz](mailto:payequity@sspa.org.nz)**
